

IMPORTANT UPDATES FOR COVID-19 TESTING AND VACCINATION

Effective Monday, October 11, 2021

If there is an urgent need for testing or vaccination outside of these days/times, please call your health department and ask to speak to a COVID team member to assist you. These services are provided free of charge.

*Service	Monday	Tuesday	Wednesday	Thursday	Friday
COVID-19 Drive-Thru Testing			Dixie 8:30am	Levy 8:30am	Gilchrist 8:30am
COVID-19 Vaccinations by Appointment			Dixie begins at 11am Call for appointment	Levy begins at 11am Call for appointment	Gilchrist begins at 11am Call for appointment

COVID-19 testing and vaccination is available at the following health departments, regardless of your home address.

Dixie CHD: 352-498-1360-----at Dixie CHD, Cross City
 Gilchrist CHD: 352-463-3120-----at Southside Park, Trenton
 Levy CHD: 352-486-5300-----at Levy CHD, Bronson

If you are interested in testing, please:

Bring your driver’s license or State ID. Do not eat or drink anything at least one hour prior to testing. Children under 18 years old must have a parent/guardian present to sign a consent form.

Please arrive at the testing site at the stated time on the chart above - testing begins promptly. Anyone in line at that time will be tested, weather permitting.

If you are interested in being vaccinated, please:

Call the health department to schedule an appointment, we are happy to help. Bring your ID and COVID-19 vaccine card if this is your second dose. If possible, complete a consent form prior to arriving to appointment. Consent forms can be found at levydisaster.com. Please arrive at your scheduled time.
